## TULI COLLEGE SENT STUDENTS FOR OUTDOOR CATERINGS

Tuli College entered into an MoU with The Palate fine dining restaurants, Nagpur. The college keep sending students to the outlet for regular outdoor caterings so that the students can get firsthand experience on the actual operations that any restaurant goes in. The students get to know about the work culture and get introduced with the labour intensive industry. The kitchen operations and service operations are different, hence the students interested in service and production get to choose their field of work. The students are also provided with some stipend against the work they deliver to the restaurant.
